

*Dans cette dimension là, rares sont les marguerites à pulser
encore librement*

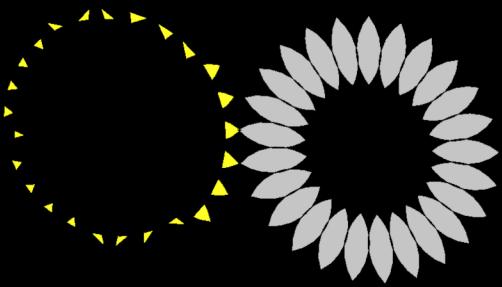

*Souvent, elles vont seules, croisant dans le vide quantique
intersidéral élevé à une puissance infinie*

Mais il arrive parfois

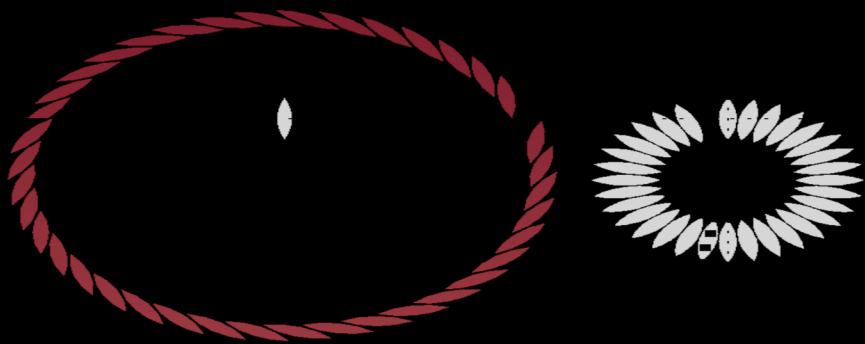

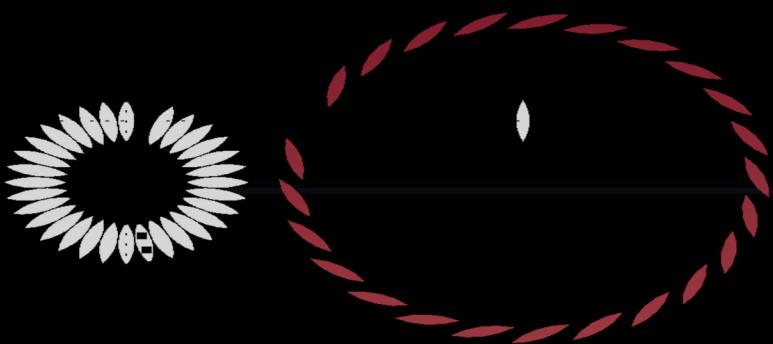

Quelle(s) impénétrable(s) loi(s) de l'attraction

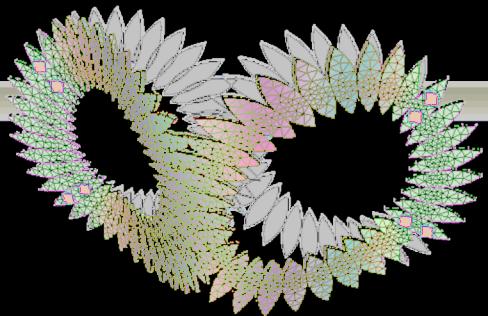

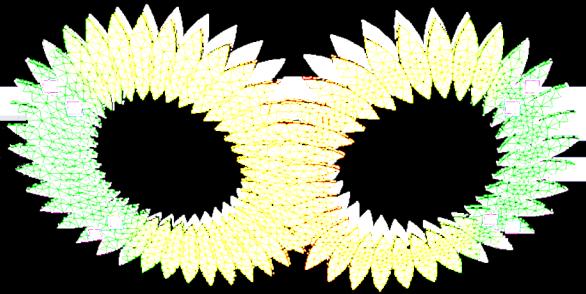

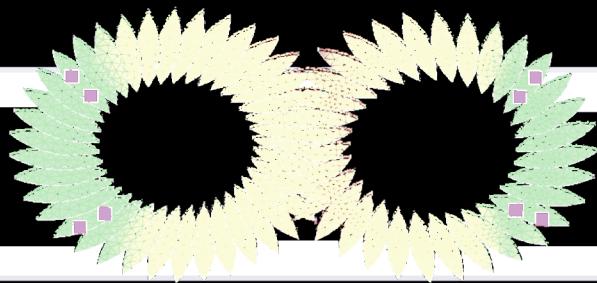

annulent l'espace, disloquent le temps.

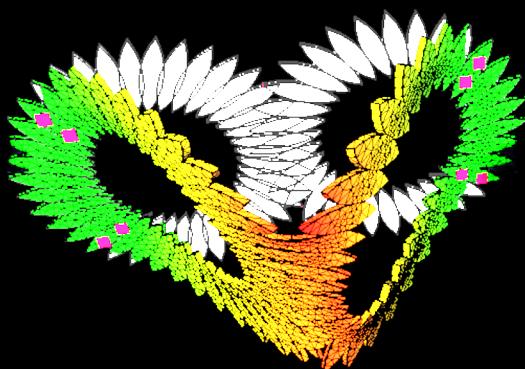

Et amènent certaines d'entre-elles à se rencontrer.

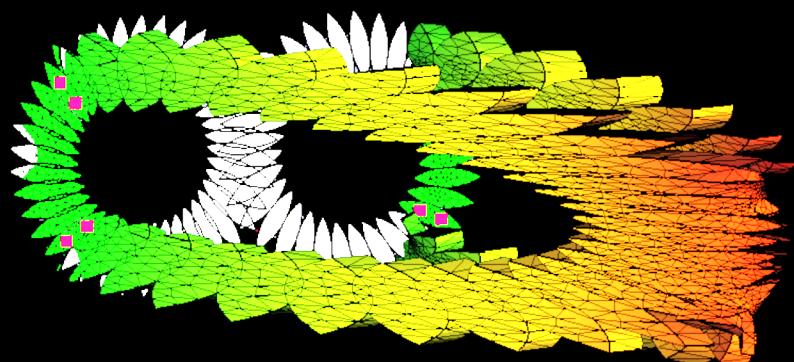

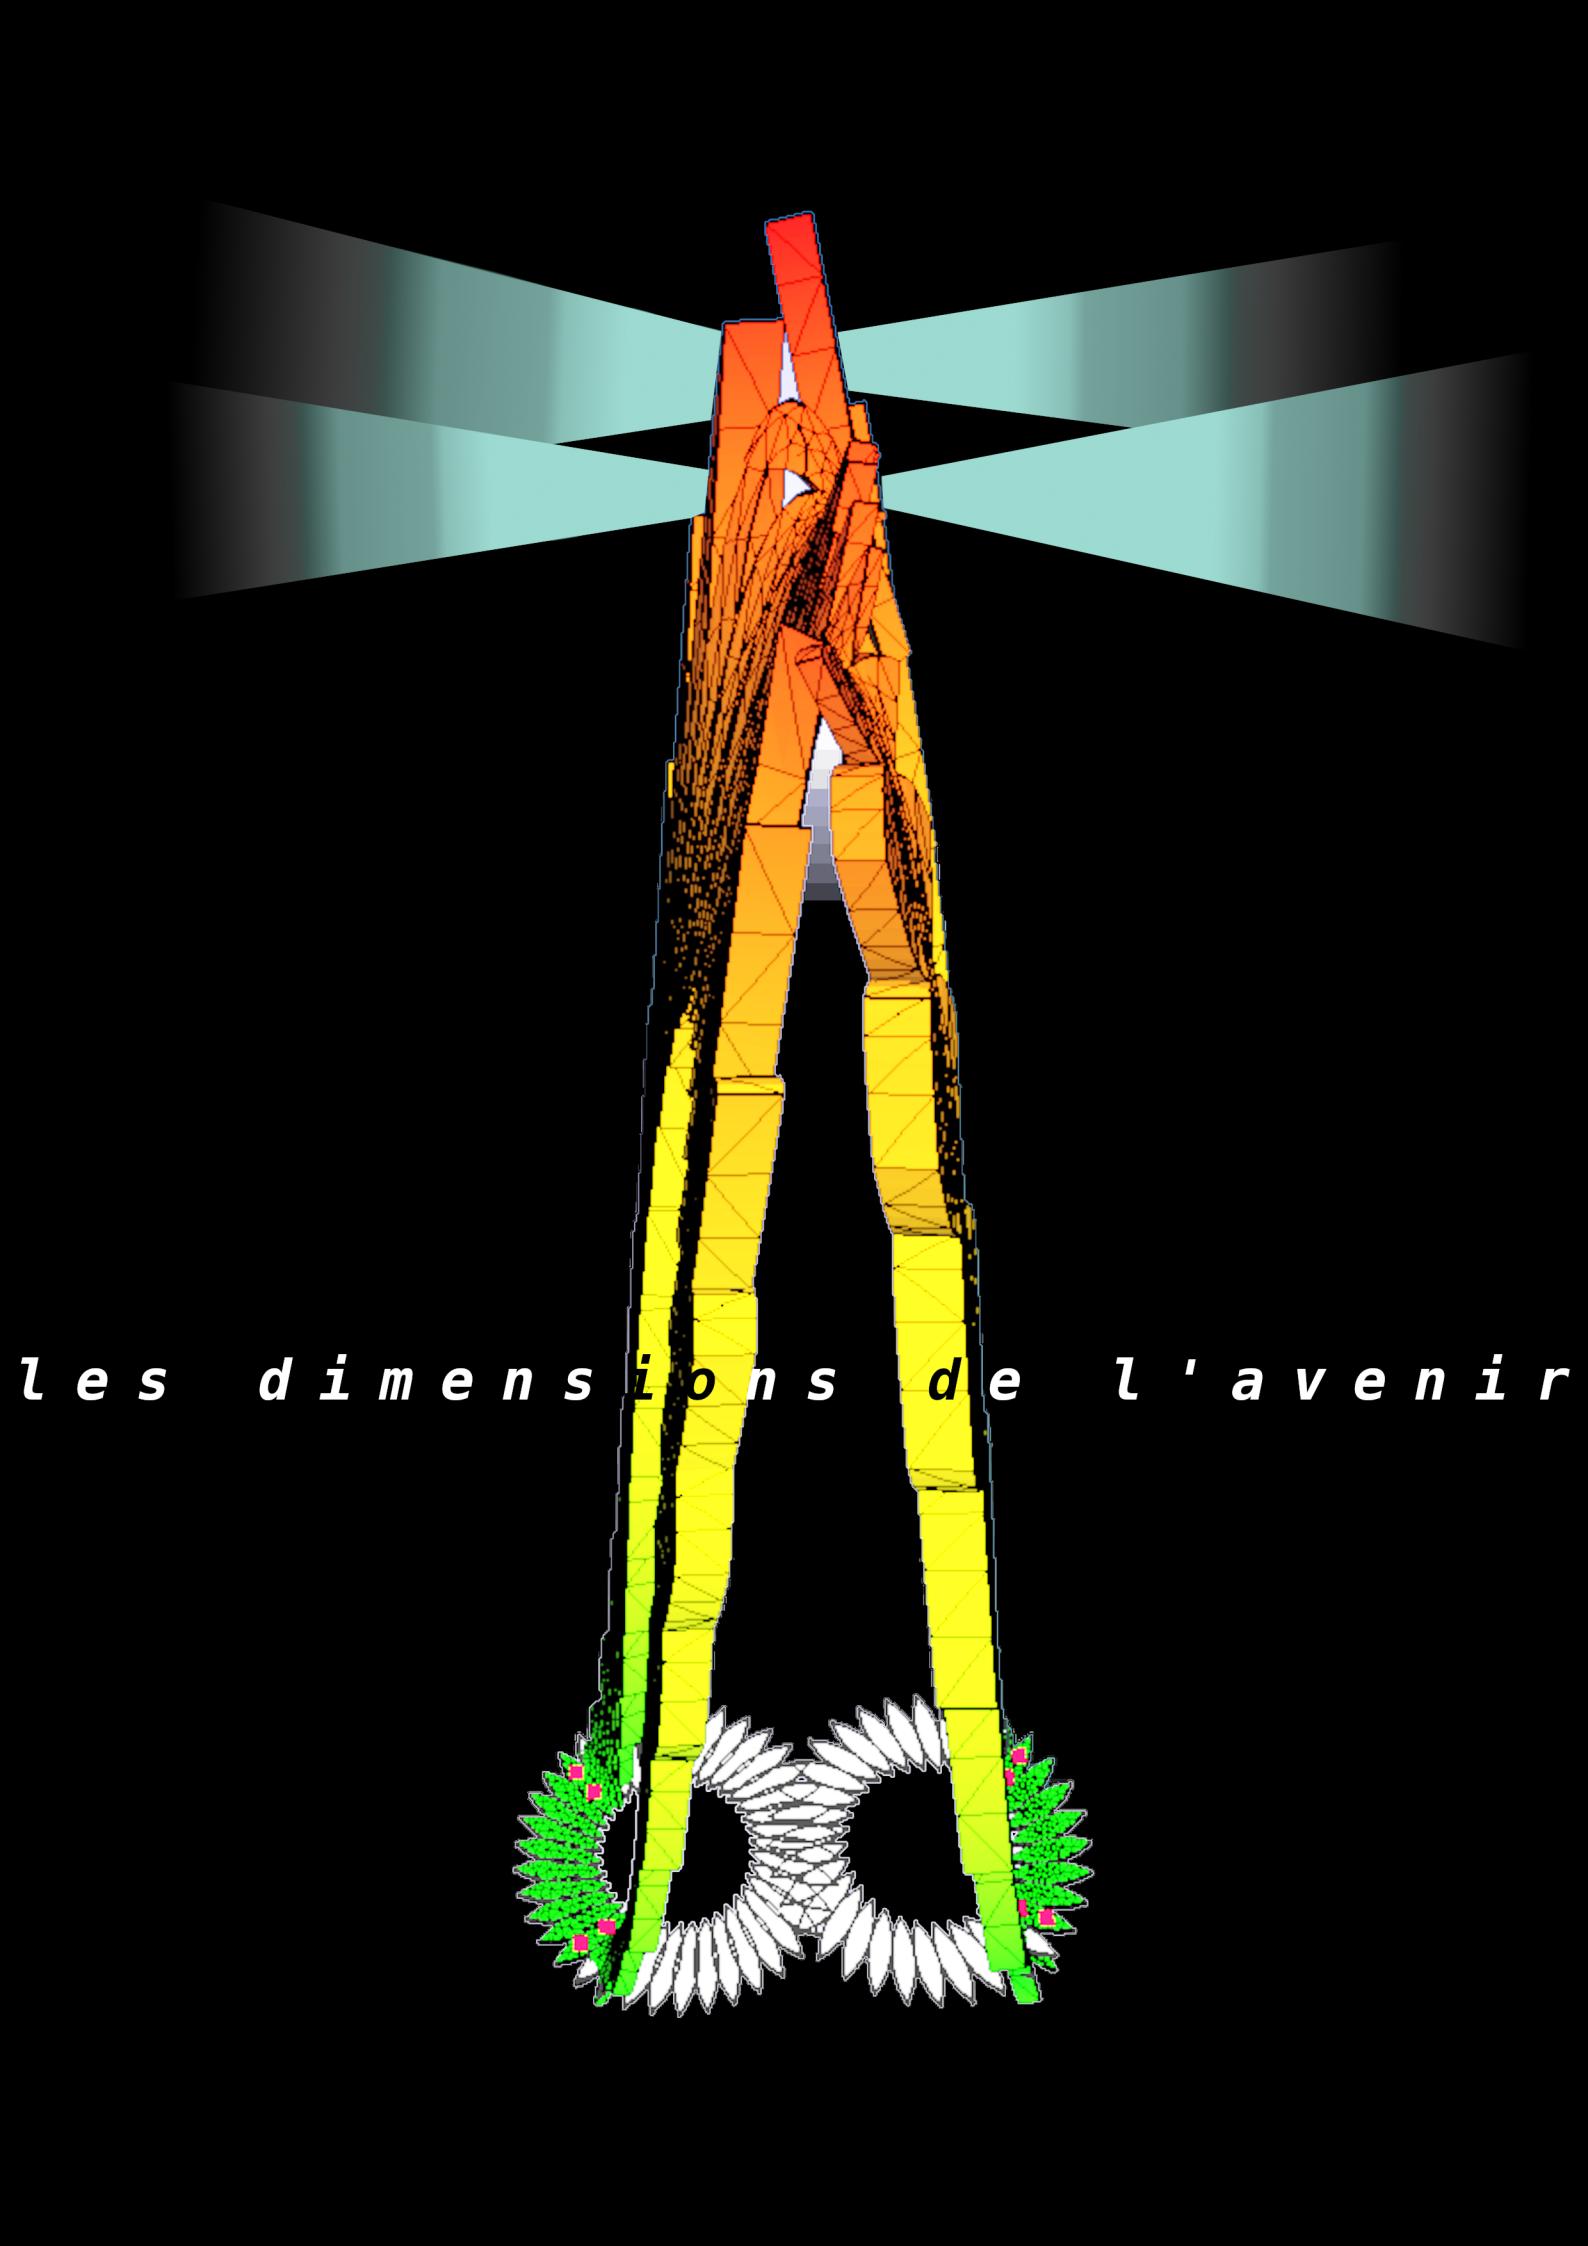

Dans l'astral espoir que leur union ait lieu.

Et fasse apparaître

les dimensions de l'avenir
